The Canby High School Key Club visited with our club on 2 November and told us a little about what they had planned for the year.

Nancy Murphy, president, presented Sonya, chair Key Club Thriftshop Committee. With a check for \$120 for 33 hours of work at the Thrift Shop in October

**One person, one club, one organization;
making a difference one child and one community at a time.**

Nancy Murphy, President, presented honorary membership to Lynda Robert, Baker Prairie Advisor to the Builders Club. The Builders Club has participated in Trick-or-Treat for UNICEF, The Community Toy and Food Drive, and are planning to do Pennies for Patients.

Doris Robertson, a member of our club and Area Director for AYUSA, told us how AYUSA is an exchange program of high school students. She introduced “Roxie” a student from Pakistan. Roxie emphasized she was a Muslim, but definitely was not a terrorist. She explained how her schooling was different from the way they teach here. She has taken several years of English in her school in Pakistan. Roxie is a member of our Key Club.

Officer Farmer visited our club and introduced us to his new dog Duroc (goofy). His old dog had to be put down because of cancer. The community stepped forward and raised \$14000 for the new dog, our club contributed \$400.00 last year. The dog itself didn't cost \$14,000, the officer has to go to a training center and train with the dog for 4 to 6 weeks. The dog and the officer gets to know each other and the officer has to learn to control the dog in the language he was trained in. Duroc looks like a German Shepard, but isn't he is somewhat smaller and originally his breed was used to heard sheep and during the war they were trained as guard dogs. German Shepards were trained similarly, but after the war they were mainly trained as show dogs.
